Data with a click!

Who we are

iamyoupushman.com is part of eGENTIC GmbH, a leading company for B2C lead generation. eGENTIC collects consumer data and push notification opt-ins in 20 geos worldwide.

What we do

Data with a click!

We sell **Push Notification traffic** on CPC basis.

Contrary to other sources we are able to connect our push opt-ins with real user data from our B2C lead gen flow.

As we have the user's permission for data monetization, we can pass the data (e.g. email) directly to our clients the moment users click on the Advertisers' Ad.

Suitable for:

Companies that want to build a database of users with a high affinity to their products or services.
